Wayne Goddard OKCA knife

A few months ago the OKCA was approached by Steven Huey, a custom knifemaker in Oregon, to partner on a Knife which would be a tribute to Wayne Goddard, his mentor and an OKCA co-founder. The knife would be a 40 Year Anniversary Knife. It would be a reproduction of the 1977 Wayne Goddard knife made for Huey and Sons which was a limited edition of 17 knives. The knife was a utility drop point knife that had proved very functional and popular. It was one of Wayne's favorite patterns.

Steve will supply the wood handle material, Osage Orange and labor. We will order sheaths in the Wayne Goddard style and order 1095 steel which was another of Wayne's favorites.

The knives will not be serial numbered but will be marked to indicate this is a "WG" Design and "1 of 50."

We are offering this Wayne Goddard tribute knife to the members of the OKCA. The cost will be \$150.00, and it will be ready for the April 2017 Show. The knives will come in a presentation style box and will include the knife and sheath with description. Two prototype knives have been made in addition to the 50.

This form with payment will secure your order for this special edition knife. We reserve the right to limit quantities per member as to demand.
